

PRIVACY POLICY

Effective Date: July 31, 2025

This Privacy Policy (hereinafter referred to as the "Policy") explains how personal data is collected, stored, and protected when using the FireTab browser extension (hereinafter referred to as the "Extension"), which provides fast and convenient access to browser tabs.

1. What Data We Collect

When registering and using the Extension, we may process the following data:

- Email address (if provided during registration);
- List of tabs saved by the user;
- Tab metadata (e.g., URL, page title, site icon, date saved, tab group).

2. Purpose of Data Processing

The collected data is used solely for the following purposes:

- Saving tabs in the cloud to prevent loss due to browser cache cleaning or local data deletion;
- Synchronization of tabs across user devices;
- Improving usability and providing the core functionality of the Extension.

3. Data Confidentiality

We do NOT share or sell your data (including tabs, email address, or any related information) to third parties.

Access is limited to authorized services required for the Extension to function.

4. Data Storage and Protection

- All data is stored on secure servers with restricted access;
- Data transfer is encrypted via HTTPS;
- We implement technical and organizational measures to protect your data from unauthorized access, alteration, or deletion.

5. Account and Data Deletion

You can delete your account and all related data directly within the Extension interface at any time.

Upon confirmation:

- All saved tabs, settings, and related data will be permanently removed from our servers;
- Deletion is automatic and does not require contacting support.
